To whom it may concern:

This is a letter of recommendation for **Bayport Roofing and Siding**, specifically Ron Rango and Bobby Hill. At all times I found them to be reliable, honest, dependable and courteous in all aspects of the roofing job they did for me. They were able to negotiate and meet with my insurance company to get a settlement in which my new roof was covered. To my delight they were able to get the new house roof and garage roof done within a single day. The whole process was painless and simply wonderful.

Sincerely,
